

# A veterinary care fund distributed through your local veterinarian

**Shadow's Veterinarian Relief Trust** provides financial assistance for the medical and surgical care of family pets whose owners reside in Chautauqua or Cattaraugus counties that would mean the difference between life or death to the animal.

Distribution of funds are based on an application submitted from the veterinarian.

There are some services the trust will not cover such as:

- Declawing of cats unless it means life or death of the cat.
- Prolonged medical care (i.e., cancer care for terminal pets).
- Cosmetic surgeries (i.e., cropping of ears, cherry eyes, docking of tails) that does not improve the pet's well-being.

Limit of one application per pet owner, per year, submitted by their Veterinarian.
